

Donor Information

The Florida Vintage RaceBoat Club (FVRC) is the successor organization to the Classic Race Boat Association which ran successful events for many years in Tavares, Florida. FVRC was created to continue power boat, antique and vintage boat racing in Tavares in March and November. FVRC held its first event in November 2018 and will hold its next event in March, 2019. Our mission is: *“To demonstrate and show vintage race boats of all types, to preserve the history of boat racing and to share the experiences of the past 100 years with the public and members.*

FVRC is a growing organization with more than 115 members who are longtime racers, racing families and performance boat enthusiasts. We are also professional marketers, internationally successful racers, business owners, entrepreneurs and experienced event organizers.

FVRC is also recognized as a Vintage & Historic member in good standing by the American Power Boat Association (APBA). APBA is the US governing body for power boat racing as authorized by the UIM (Union Internationale Motonautique).

FVRC relies on receiving funds from Donations, Sponsors and Members to run two events a year. We have applied for federal tax exemption as a 501 c (3) organization; not or profit status. Our application is pending and should be granted in 2019 in time for FVRC to provide donors with a donation acknowledgement letter.
