

## 2019 Sponsor Information

Florida Vintage RaceBoat Club (FVRC) events deliver adrenaline – driven race boat demonstrations appeal with many different types and classes of vintage race boats. We combine some of the greatest sounds and sights of all motorsports with speeds in excess of 100mph, including the sounds of high rpm engines and close and personal spectator viewing.

FVRC is an organization of more than 115 members who are longtime racers, racing families and performance boat enthusiasts. We are also professional marketers, internationally successful racers, business owners, entrepreneurs and experienced event organizers.

FVRC is also recognized as a Vintage & Historic member in good standing by the American Power Boat Association (APBA). APBA is the US governing body for power boat racing as authorized by the UIM (Union Internationale Motonautique).

After several years of events in Tavares under a different banner, FVRC was created to continue and demonstrate exciting powerboat event participation and spectator growth. While it was also designed to further Tavares proud powerboat, antique and vintage boat heritage our mission is; *“To demonstrate and show vintage race boats of all types, preserve the history of boat racing and to share the experiences of the past 100 years.”*

A modest investment gives you a large scale exposure into a great race boat demonstration two day event with 5,000 – 10,000 people per event in Tavares, Florida. Your sponsorship can be tailored to suite your specific requirements.
